About
The University

Vijayanagar Sri Krishnadevaraya University (VSKU) is a state university established by the Government of Karnataka under the Karnataka State University Act 2000. It is an affiliating university with about 124 affiliating colleges offering both undergraduate and post graduate programs.

The university covers the districts of Ballari, Koppal and Vijayanagara. The region under the jurisdition of the university is considered economically and educationally backward compared to national and state average. Hence the university endeavours to embark on the innovative means of higher education in order to make it both qualitative and affordable.

SREE VEERABHADRESHWARA EDUCATION TRUST (R)

About
The Trust

Sree Veerabhadreshwara Education Trust is a non-profit organization that is committed to providing quality education to students in India. The trust was established in the year 2014 with the aim of promoting education in the Kalyana Karnataka region of Karnataka. It is based in the town of Ballari in the state of Karnataka.

One of the major initiatives of the trust is the establishment of Shree Medha College, which is sponsored by the trust. The trust also offers scholarships to deserving students who come from economically weaker sections of society. This helps to ensure that students who have the potential to excel academically are not held back due to financial constraints.

Sree Veerabhadreshwara Education Trust is doing commendable work in promoting education and empowering the youth of rural Karnataka. Its efforts are helping to create a more educated and skilled workforce, which will contribute to the overall development of the region and the country.

VISION

To provide students with a holistic education that makes them competent to face the modern world with a sense of social responsibility and value for life.

MISSION

- To equip students with the right attitude and necessary skills and knowledge.
- To instil in students' values which make them responsible citizens.
- To develop an attitude for lifelong learning.
- To inspire students to develop a positive approach to the challenges posed by the modern world.
- To enable students to effectively communicate their thoughts, live their values and expand their knowledge.
- To lead students towards independent thinking and analysis.
- To prepare students to traverse all boundaries and become world citizens without losing their roots.
- To imbibe a culture which values diversity in life and society.
