## About Shree Medha

Sree Veerabhadreshwara Education Trust (SVET) was established in the year 2014 under the dynamic leadership of Mr. Kolagal Ram Kiran and Mr.S.Ramesh. The Visionaries with the progressive ideals established Educational institutions namely Shree Medha Degree College (SMDC) and Shree Medha Pre-University College.

Established in 2015, Shree Medha College, School of Commerce, Management and Technology has rapidly grown in stature and reputation since its inception. The School is born of the noble vision of the founder Mr. K Ram Kiran, "Preparing a generation that could successfully meet the demands of the information age and at the same time be imbued with the noble ideals of selfless service and love is an urgent need of the hour." Started with strength of 200 students, our institution has grown to strength of 1000 students offering courses like Bachelor of Business Administration (BBA), Bachelor of Commerce (B.Com), Bachelors in Computer Application (BCA) and (BHM) Bachelor of Hotel Management. Not only achieving university ranks, our students have proven their talents in various intercollegiate competitions, university level and national level sports events and getting placed in the prestigious multinational companies across the country.

## About FDP

The primary purpose of this programme is to provide a groundbreaking insight into the world of research. It will also challenge our preconceptions and myths, with cutting edge research evidence from international peer reviewed academic journals. This programme will not just enhance our skills in research, it will also help us develop a whole new perspective and appreciation for it. Participants will be introduced to shocking research evidences which they would've encountered in their whole life. It will be an eye-opening experience.

## Programme Objectives

- 1.This programme intends to develop a deep understanding regarding foundations of research and its importance by introducing participants to phenomenal research from around the world.
- 2.To enhance our understanding regarding research methods, methodologies, publication ethics and plagiarism.
- 3.Vital need for Logical Reasoning in constructing strong as well as rational arguments in research papers.
- 4.It will strengthen your Critical Thinking, Research Mindset and Soft Skills.
- 5.This programme intends to change the way you look at the world by providing fresh perspectives.

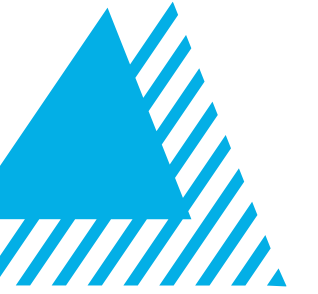

## Who Can Attend?

Faculties and Research Scholars of Various Disciplines such as, Engineering, Science, Social Science as well as Humanities etcetera. All of the faculties and research scholars will find it extremely useful.

## About Resource Person

### A.H. Sagar

International Educationalist, Philosopher,  
Multidisciplinary Resource Person,  
Medical Ethicist and a National Sports Person.

Mr. A.H. Sagar is a multidisciplinary in the true sense of the term. He has discussed and learnt from some of the greatest Philosophers, Scientists and Educationalists on the PlanetAlong with many years of teaching experience in schools, colleges and universities, he even gained a post graduate degree in English while he was in India. Later, his passion for research took him to the University of Edinburgh, wherein, he pursued MSc in Education and Educational Philosophy. After the completion of his MSc in Edinburgh, he moved to London and joined the prestigious University College London (UCL).

So far he has delivered around 850 lectures around the world by invitation, on various topics from the academic spectrum of Science, Social Science and Humanities in schools, colleges as well as universities. He has addressed more than 7 lakh students & faculties till date. He has appeared in various television interviews. He also trains government officials, police officers and conducts corporate training programmes.
